Let's dive into some prime choices out of the screener.

Simply Wall St Dividend Rating: ★★★★★☆☆

Overview: B&C Speakers S.p.A. is an Italian company that produces and markets professional loudspeakers under the B&C brand both domestically and internationally, with a market cap of €184.51 million.

Operations: B&C Speakers S.p.A. generates revenue primarily from its Acoustic Transducers segment, which accounted for €99.40 million.

Dividend Yield:

B&C Speakers offers a dividend with a reasonable payout ratio of 44.1%, indicating earnings and cash flows sufficiently cover the payments. However, its yield of 4.17% is below the Italian market's top tier, and dividends have been volatile over the past decade. Recent earnings growth is notable, with net income rising to €15.78 million for nine months ending September 2024, up from €11.67 million year-on-year, supporting potential dividend stability improvements.

Simply Wall St Dividend Rating: ★★★★★☆☆

Overview: Jiaze Renewables Corporation Limited is involved in the development, construction, sale, operation, and maintenance of new energy projects and has a market capitalization of approximately CN¥8.47 billion.

Operations: Jiaze Renewables Corporation Limited generates its revenue primarily from the development, construction, sale, operation, and maintenance of new energy projects.
